

# ARENTO – FULL SERVICE, NO FUSS

---

**ARENTO IS A NEW** company, but far from new to the hire business. For more than 60 years, we have supplied construction and contract companies with heavy equipment and construction machinery for hiring out. That makes us the longest-established supplier in the business, and our staff have solid expertise on machinery and on construction and contract operations. We use this know-how and experience every day, making it simple and safe to hire from us.

**ARENTO BEGAN LIFE** in the former Swedish Road Administration. In 2009, the state-owned company Svevia was established, in which we were business area Svevia Maskin. Since 2015, we have traded as Arento AB. We are a totally Swedish company, a member of the Svevia Group, and we have depots all over Sweden – *from Luleå in the north, to Malmö in the south.*

**OUR CONSTANT AMBITION** is to make hiring a simple and straightforward business. Our offer covers everything from machines, vehicles and equipment, to full-service set-up and barrier erection. We combine a comprehensive range with smart services to create flexible total solutions. We are investing to satisfy our customers' needs, and we are meeting the demands of the future by expanding our range and our hires in traffic control equipment, passenger cars, work vehicles, construction machinery and measuring and checking equipment.

## ARENTO HAS:

- Machinery depots from Luleå in the north, to Malmö in the south.
- 90 employees
- Sales of SEK 600 million

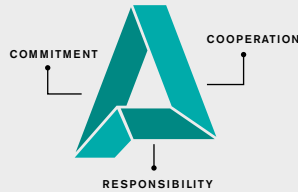

## Our vision

Arento is the obvious choice for hiring machines, vehicles and equipment. Arento makes it simple, safe and profitable to hire precisely what you and your company need.

## Our mission

Arento hires out a comprehensive range of machines, vehicles and equipment to customers operating in the construction and maintenance of roads and other infrastructure. We are totally committed to meeting our customers' needs, and we make life simpler for them by keeping our promises.

## Our values

### COMMITMENT

### COOPERATION

### RESPONSIBILITY

Combined, these values make Arento a reliable and professional business partner. We keep our word and deliver the right machine and service to the right place. This is important to us. Our ambition is to resolve the challenges faced by our customers.

We also value social responsibility and commit ourselves to our customers and society at large. We strive to develop, to continually improve, both our offering and our social interaction.
